Read carefully. Uninsured/Underinsured Motorists (UM/UIM) coverage pays damages for bodily injury to you, your family members and occupants of your covered auto caused by an owner or operator of a motor vehicle who has no liability insurance, or whose liability insurance is not enough to pay the full amount of the damages. Unless you reject it in writing, your policy will include UM/UIM coverage with limits equal to your bodily injury liability limits. You may select lower limits, but not lower than the minimum required by law, or you may reject the coverage entirely.

Your bodily injury liability limits: $25,000 each person / $50,000 each accident.

Select ONE option and initial it:

☐ **A.** I select UM/UIM coverage with limits **equal to** my bodily injury liability limits ($25,000 / $50,000). _____ initials

☐ **B.** I select UM/UIM coverage with **lower** limits of $_____ each person / $_____ each accident. _____ initials

☒ **C.** I **reject** Uninsured/Underinsured Motorists coverage (bodily injury and property damage) **entirely**. JD initials

I understand that by rejecting or selecting lower limits I may not be protected, or may be only partly protected, if I or anyone covered by this policy is injured by an uninsured or underinsured motorist. I understand that this selection or rejection applies to this policy and to all renewals, reinstatements, substitute and replacement policies issued by Bluewater Auto Insurance, **unless I request a change in writing**. I have read this form and had the opportunity to ask questions about it.
