RELEASE CLAUSE REVIEW & ATTORNEY APPROVAL

Memorandum to file · prepared by the Case Manager 08/17/2026 · John Doe v. Robert Smith · Keystone claim KM-26-440871

Reviewed: Keystone Mutual "Release of All Claims", Form KM-REL-100, received 08/14/2026 with Dana Whitfield's cover letter
Routed to: Atty. Elijah Thorne, 08/14/2026, 4:21 p.m.; approved in writing 08/17/2026
Measured against: the terms of the Time-Limited Demand served 07/20/2026 and the open claims on the file
Not sent to: John Doe. Nothing goes to him for signature until Atty. Thorne approves the release and both UM consents are in writing.

1. What the review found, clause by clause

Clause	What it would do on this file	Proposed amendment (for Atty. Thorne)
Catch-all: "all other … insurers"	Releases Harbor Point and Cardinal State: $30,000 of the $40,000 stack	Robert Smith and Keystone only; "and no other person, firm, corporation or insurer"
Property damage and loss of use	Reaches the Civic's claim, which is Margaret Doe's (KM-26-440871-PD, Leah Moran), still open	Bodily injury claim only; reserve the Civic's claim
No reservation of UM/UIM claims	Nothing on the face of the release protects the UM claims	Add an express reservation naming HP-26-7741 and CS-26-20355
§3 Confidentiality	Not a term of the demand; would bar sending the release to the UM carriers as proof of exhaustion	Strike
§4 Indemnify, defend and hold harmless	A duty to defend and pay attorney's fees on any lien, unlimited in amount	Limit to the liens on the file (Peach State, Riverton Spine & Rehab), paid from trust; no defense, no fees
Payment	No date by which Keystone must pay	Add a payment term, as Atty. Thorne sets it
§2 Unknown injuries · §5 Medicare · §6 governing law	Legal terms; Medicare facts verified (John Doe is not a beneficiary: the Day 2 check)	Flagged for Atty. Thorne's decision; no view offered
Parties, $10,000.00, non-admission, signature and notary block	Match the demand's terms and Keystone's tender of 08/12/2026	Keep

Subject: For your review and approval: Keystone draft release, John Doe, KM-26-440871

Atty. Thorne, Keystone's draft release arrived today with its tender. I have audited it clause by clause against the demand's terms; the review and my proposed amendments are attached. The catch-all "all other … insurers" would release Harbor Point and Cardinal State, $30,000 of the stack. The release also reaches property damage and loss of use, has no reservation of the UM/UIM claims, adds a confidentiality term and an unlimited indemnify-and-defend clause, and sets no payment date. The unknown-injuries, Medicare and governing-law clauses are flagged for your decision. Keystone also asks for each UM carrier's consent and subrogation waiver before payment; our requests went out 08/13. I have not sent the draft to John Doe and will not schedule his signing until you approve the release and both consents are in.

3. Atty. Thorne's written approval

From: Elijah Thorne <ethorne@lshlawgroup.example> · **Sent:** Monday, August 17, 2026, 9:40 a.m.
Subject: RE: For your review and approval: Keystone draft release

---

Approved as you proposed. Payment within 14 days of Keystone's receipt of the executed release and our W-9. Keep the unknown-injuries clause; I will go through it with John. Keep the Medicare representation as verified. Riverton law. I have sent the redline to Dana Whitfield this morning. Do not send anything to John until Keystone issues the revised release and both consents are in.

4. What the approval establishes

- Every amendment is Atty. Thorne's decision, in writing, before any term reached the adjuster or the client.
- The UM claims and the Civic's claim are protected on the face of the release, not by anyone's memory.
- The adjuster's request to sign the standard form first was refused by routing it, not by the Case Manager's own answer.
- Keystone accepted the changes and issued its Limited Release (Form KM-REL-100-L) on 08/19/2026.

5. Where this memorandum is filed

- CMS → Doc Hub → Others, named the firm's way: LSH-2026-MVA-770412_Doe-John_Release-Review_2026-08-17.pdf.
- CMS → Tasks: "Schedule signing" opened, held until both UM consents are in writing.
- Backup Drive → Insurance, Demands & Negotiation: the same copy, kept with the filing.

Appendix: Dana Whitfield, 08/18/2026, asked whether Mr. Doe could sign the standard form now with the changes in a side letter. Answered: nothing goes to the client for signature except the release Atty. Thorne approves; her email was forwarded to him the same day.
