Re: Your notice of October 13, 2026 — John Doe · accident of 02/06/2026

Dear Mr. Vance:

We represent John Doe under his written agreement with this firm of February 9, 2026, and have done so continuously since that date. We reject your notice of charging lien and your demand for a division of fee in its entirety.

Mr. Doe is an adult. He did not sign the agreement you enclosed, did not authorize anyone to sign it for him, and did not know of it. The agreement is signed only by his mother, Margaret Doe, who had no authority to retain counsel for him. There was no attorney-client relationship between your firm and Mr. Doe. Your own time record shows 0.6 hours of intake with Mrs. Doe and no work on Mr. Doe's claim; no carrier received any notice from your firm.

Please confirm in writing by October 20, 2026 that your firm withdraws its notice of lien and claims no fee from Mr. Doe's recovery. Direct all communication on this matter to me, not to our staff.

Sincerely,

Elijah Thorne
