Dear Atty. Thorne:

Enclosed as requested, with the authorizations received, is a copy of the declarations page for the above policy in effect on the date of loss.

This confirms in writing the bodily injury limit discussed with your office when the claim was set up. The bodily injury liability limits under policy KMI-PA-7731045 are **$10,000.00 each person** and **$20,000.00 each accident**. The policy does not carry uninsured/underinsured motorists coverage or medical payments coverage. Property damage liability ($25,000.00 each accident) is being handled separately under claim KM-26-440871-PD by Leah Moran of our Property Damage unit; please continue to direct vehicle, rental and repair matters to her.

This disclosure is limited to the policy issued by Keystone Mutual Insurance to our insured. It is not a statement about any other insurance that may or may not be available to him, and it is made without waiver of any of the terms, conditions or defenses of the policy. We continue to evaluate your client's bodily injury claim and will review the medical records and itemized bills when your office submits them.

Please direct all correspondence on the bodily injury claim to the undersigned, referencing the claim number above.

Sincerely,

Dana Whitfield
