What the audit changed from the draft worksheet (06/23/2026)

Draft	Final	Why
02/18 and 02/19/2026 claimed	Removed	He worked both shifts (RS12, RS43)
02/09–02/13/2026 excluded	Kept, flagged	Northgate records them unpaid; flag, never drop
MRI on 03/12/2026	03/13/2026	The MRI date (RS16) and Northgate's record
05/18/2026 on the client's word	Crescent's work note	A provider record, not a recollection
Light duty $440.00; overtime $264.00	$0.00	Restrictions worked at full shifts; no overtime scheduled (RS93)
Total $1,760.00	$1,584.00	Nine verified shifts
PIP wage benefit $1,408.00 to claim	Not payable	PIP exhausted 06/26/2026 (RS31); the 80% benefit ($1,267.20) was never paid, so the full $1,584.00 stays in the Specials
2025 W-2 from Northgate	From John Doe	Hired 01/12/2026; his 2025 W-2 is Riverton Freight Services' (RS02)

"Loss of earning capacity: permanent"	Flagged, not claimed by the CM	Released to full duty at MMI 06/12/2026 (RS18); an opinion for Dr. Reyes and Atty. Thorne

Filed: CMS → Financial Ledger → Specials (lost wages $1,584.00) and the Net Sheet; the Case Plan's financial pillar updated; employer correspondence in CMS → Doc Hub and on the Backup Drive in Wages & Costs.
