1. The confirmation email as sent (06/22/2026)

From: Case Manager, LSH Law Group <casemanager@lshlawgroup.example>
To: Angela Ruiz <aruiz@northgatedistribution.example>
Subject: John Doe (Employee ID NGD-20417) — wage and attendance verification request
Attachment: Employee authorization signed by John Doe 06/22/2026

Ms. Ruiz,

LSH Law Group represents John Doe in a claim from a motor vehicle collision on 02/06/2026. His signed authorization is attached. Please verify, from Northgate's payroll and timekeeping records: his hourly rate and scheduled shift hours; the scheduled shifts he missed without pay, which we understand to include 02/09 through 02/13, 03/05, 03/13, 05/15 and 05/18/2026; whether any overtime was scheduled on those shifts; and the physical demands of his position. Please also complete the enclosed Wage Loss Verification Form and send the paystubs or payroll records for the pay periods that include those dates, and his W-2.

Thank you. Please send the records to me at the address below.

2. The reply as received (06/30/2026)

Angela Ruiz returned the wage-and-attendance letter (RS43) and the Wage Loss Verification Form with payroll records (RS93): $22.00 an hour, 8-hour day shifts; nine unpaid shifts, 72 hours, **$1,584.00**; no overtime scheduled on any missed shift; the 02/20 and 03/05/2026 restrictions worked at full shifts with no lost hours; physical demands lifting to 50 lb, forklift, on his feet the full shift; no Northgate W-2 for 2025, since he was hired 01/12/2026.

Her follow-up asked whether the settlement would pay John back for the missed days, and for his MRI and doctor's notes to update Northgate's restrictions file. Answered: nothing about his claim or its value is discussed with the employer, and no medical records are sent; work-status notes reach Northgate from John and his treating providers. The claim question was routed to Atty. Thorne.

3. What the confirmation establishes

- The rate, hours and nine unpaid shifts come from the employer's own business records, not the client's memory.
- No overtime and no light-duty hours were lost; the claim is $1,584.00, not more.
- The 02/09–02/13/2026 shifts are recorded as call-outs for neck pain: support for the gap, flagged to Atty. Thorne.
- The 2025 W-2 must come from John Doe (Riverton Freight Services).

4. Filed and updated

CMS → Doc Hub → Others under the firm's naming convention; Communications Log; a copy kept on the Backup Drive in Wages & Costs. Tasks: audit the draft wage worksheet against these records (due 07/01/2026); ask John Doe for his 2025 W-2.
