3. Defendant is subject to the jurisdiction of this Court.

4. Venue is proper in this Court because Defendant resides in Riverton County and the collision described below occurred in Riverton County.

FACTS

5. On February 6, 2026, at approximately 7:10 a.m., Plaintiff was a passenger, seated in the front passenger seat of a 2020 Ford Escape owned and operated by Kevin Alvarez, traveling eastbound on Maple Hollow Rd in Riverton.

6. The intersection of Maple Hollow Rd and Birch Ave is controlled by stop signs in all directions.

7. The Escape came to a complete stop at the stop sign on Maple Hollow Rd and then proceeded into the intersection.

8. At the same time, Defendant was operating a 2017 Chevrolet Silverado northbound on Birch Ave, approaching the intersection.

9. Defendant failed to stop at the stop sign controlling northbound traffic on Birch Ave and drove into the intersection.

10. The front of Defendant's Silverado struck the front passenger door of the Escape, where Plaintiff was seated, and pushed the Escape into a 2019 Honda Civic LX owned by Plaintiff's mother, Margaret Doe, which was lawfully parked at the east curb of Birch Ave.

11. At the time of the collision, Plaintiff was wearing his seatbelt.

12. The Riverton Police Department investigated the collision (Report No. RPD-26-018842) and cited Defendant for failure to stop at a stop sign.

13. As a direct and proximate result of the collision, Plaintiff suffered bodily injuries, including a cervical strain and a C5-C6 right paracentral disc herniation with mild right foraminal narrowing, with radiating numbness into his right arm and hand.

14. Plaintiff reported neck pain at the scene and has since received medical treatment, including urgent care, chiropractic care and physical therapy, orthopedic care, a cervical MRI, and a cervical epidural steroid injection. On June 12, 2026, his orthopedic physician found that he had reached maximum medical improvement with residual intermittent right-arm paresthesia, and recommended possible further epidural steroid injections.

COUNT I — NEGLIGENCE

15. Plaintiff incorporates paragraphs 1 through 14 as if fully restated.

16. Defendant owed Plaintiff and the traveling public a duty to exercise ordinary care in the operation of his vehicle.

17. Defendant breached that duty by, among other things:

a. failing to stop at a stop sign;

b. failing to yield the right-of-way to a vehicle that had stopped and lawfully entered the intersection;

c. failing to keep a proper lookout;

d. failing to reduce speed when approaching and entering an intersection; and

e. failing to maintain proper control of his vehicle.

18. Defendant's negligence was the direct and proximate cause of the collision and of Plaintiff's injuries and damages.

COUNT II — NEGLIGENCE PER SE

19. Plaintiff incorporates paragraphs 1 through 18 as if fully restated.

20. Defendant violated the traffic laws of this State requiring a driver approaching a stop sign to stop before entering the intersection and to yield the right-of-way to vehicles in or approaching the intersection.

21. Those laws were enacted to protect persons in Plaintiff's position from the type of harm Plaintiff suffered. Defendant's violation of them is negligence per se, and was the direct and proximate cause of Plaintiff's injuries and damages.

a. past medical expenses in the amount of $14,817.40;
