> **Note to the Case Manager.** Atty. Grant Mercer wrote on 02/26/2027 that Keystone "will not put a real number on the table" while the medical ledger is unverified. Riverton Spine & Rehab's Final Itemized Ledger was requested 02/08/2027, chased 02/22 and red-flagged 03/01; it has not arrived. I built Section 5 from the bills in the file. Please audit the whole set before it goes to Atty. Thorne.
