Re: Consent to settle with tortfeasor

Dear Mr. Thone:

We have your letter of August 13, 2026, advising that Keystone Mutual Insurance has tendered its $10,000.00 per-person bodily injury limit on behalf of its insured, Robert Smith, and asking for Harbor Point's written consent to that settlement under Part C, ¶ E of the policy. We have reviewed the Keystone tender letter of August 12, 2026 and Mr. Smith's affidavit of no other insurance dated August 10, 2026.

Harbor Point Insurance:

1. **consents** to John Doe's settlement of his bodily injury claim against Robert Smith and Keystone Mutual Insurance for $10,000.00;
2. **waives** its right of subrogation against Robert Smith for any uninsured/underinsured motorists benefits it pays on this claim; and
3. **will not substitute** its own payment for the amount tendered by Keystone Mutual Insurance.

This consent extends only to a release of Robert Smith and Keystone Mutual Insurance. It is not a release or settlement of Mr. Doe's uninsured/underinsured motorists claim under policy HPA-4402917, which remains open subject to the terms and conditions of the policy. Please send us a copy of the executed release and confirmation of Keystone's payment when they are available, together with any updated medical documentation you wish us to consider.

Sincerely,

Marcus Bell

Re: Consent to settlement — Keystone Mutual tender

Dear Mr. Thone:

This responds to your letter of August 13, 2026, requesting Cardinal State Mutual's consent to your client's settlement with Robert Smith for the $10,000.00 bodily injury limit tendered by Keystone Mutual Insurance on August 12, 2026. We have reviewed the tender letter and Mr. Smith's affidavit of no other insurance of August 10, 2026.

Cardinal State Mutual **consents** to the settlement of John Doe's bodily injury claim against Robert Smith and Keystone Mutual Insurance for $10,000.00. Cardinal State Mutual **waives its right of subrogation** against Robert Smith for any uninsured motorists benefits paid on this claim and **will not substitute its own check** for the amount tendered.

Our consent is limited to a release of Robert Smith and Keystone Mutual Insurance only. It does not release or resolve Mr. Doe's uninsured motorists claim under policy CSM-AU-5580213, which remains open. Under the policy, our coverage for this claim applies as excess over the uninsured motorists coverage available to Mr. Doe under the Harbor Point Insurance policy on the vehicle he occupied.

Please forward a copy of the executed release when available.

Sincerely,

Teresa Okafor
