Re: Written Demand for Arbitration — Uninsured/Underinsured Motorist Coverage
Claimant: John Doe · Named insured: Kevin Alvarez · Policy HPA-4402917 (2020 Ford Escape)
Claim HP-26-7741 · Date of loss: 02/06/2026 · UM limit $20,000 per person

Dear Mr. Thone:

We acknowledge Keystone Mutual Insurance's tender of its $10,000 bodily injury limit on behalf of Robert Smith at the March 18, 2027 mediation in *Doe v. Smith*, to which Harbor Point consented in writing, and your client's demand for the $20,000 limit of the UM/UIM coverage of the above policy, under which Mr. Doe qualifies as an occupant of the insured vehicle.

Harbor Point does not dispute coverage. We do not agree, however, as to the **amount of damages** Mr. Doe is legally entitled to recover. In particular, Mr. Doe sought no medical treatment of any kind for fourteen (14) days after the collision (February 6 to February 20, 2026), and his course of treatment was later interrupted for nineteen (19) days in April 2026. In our evaluation these gaps bear directly on the causal relationship and reasonableness of the treatment claimed, and on the value of the claim.

Accordingly, pursuant to the arbitration provision of the policy's Uninsured Motorists Coverage, Harbor Point hereby makes **written demand for arbitration** of the amount of damages. Harbor Point proposes that the matter be heard by a single neutral arbitrator, and proposes **Laura Whitcomb, Esq.**, who has confirmed her availability and has no conflict. Please let us know within fifteen (15) days whether your client agrees to Ms. Whitcomb. Each party will bear its own attorney's fees and expenses; the arbitrator's fee will be shared as the policy provides.

Because Cardinal State Mutual's UM coverage applies in excess of ours, we are copying Cardinal State and invite it to join the arbitration so that the amount of damages may be decided once, in one proceeding.

Nothing in this letter waives any term, condition or defense under the policy.

Sincerely,

Marcus Bell

Re: **Joinder in Arbitration** — Claimant: John Doe · Named insured: Margaret Doe · Policy CSM-AU-5580213
Claim CS-26-20355 · Date of loss: 02/06/2026 · UM limit $10,000 per person

Dear Counsel and Mr. Bell:

Cardinal State Mutual has received Harbor Point Insurance's April 5, 2027 demand for arbitration. Cardinal State likewise disputes the amount of damages claimed by Mr. Doe, for the reasons stated in Harbor Point's demand, and **joins** in the arbitration on the following terms, which Mr. Thone has confirmed are acceptable to his client:

1. The claims against Harbor Point and Cardinal State will be heard in **one consolidated arbitration** before Laura Whitcomb, Esq.
2. The arbitrator will determine the total amount of damages Mr. Doe is legally entitled to recover arising from the February 6, 2026 collision. The award will be **binding** on all parties.
3. Any award will be applied first to Harbor Point's coverage, up to its $20,000 limit, and then to Cardinal State's coverage, which is excess, up to its $10,000 limit, after credit for the $10,000 bodily injury payment by Keystone Mutual. No award may exceed the available limits.
4. Each party bears its own fees and expenses. The arbitrator's fee will be divided equally between Harbor Point and Cardinal State.

Please treat this letter as Cardinal State's written joinder. Cardinal State reserves all other rights under its policy.

Sincerely,

Teresa Okafor
