Re: Underinsured motorists claim — settlement offer

Dear Mr. Thorne:

We have reviewed your demand of August 31, 2026 for the $20,000.00 per-person uninsured/underinsured motorists limit of policy HPA-4402917 on behalf of John Doe, with its enclosures, and the release of Robert Smith and Keystone Mutual Insurance signed on August 28, 2026.

Harbor Point Insurance offers **$8,000.00** in full settlement of Mr. Doe's underinsured motorists claim.

In reaching this figure we considered the following:

1. **The gap in treatment.** Mr. Doe did not see any medical provider until February 20, 2026, fourteen days after the accident. The gap raises a legitimate question whether all of the treatment that followed, and in particular the later injection, is related to this accident.
2. **The bodily injury settlement.** Mr. Doe has received the $10,000.00 bodily injury limit from Keystone Mutual Insurance. In our evaluation, the BI settlement already compensated him for a substantial part of the damages documented in your demand, and our offer reflects the value of the claim that remains.

Please present this offer to your client and let us know his response. If we are unable to agree on the amount of damages, the policy provides for arbitration of that dispute (Part C, ¶ H). Harbor Point reserves all of its rights under the policy.

Sincerely,

Marcus Bell

Re: Uninsured motorists claim — settlement offer

Dear Mr. Thorne:

We have reviewed your demand of August 31, 2026 for the $10,000.00 per-person uninsured motorists limit of policy CSM-AU-5580213, presented as excess over the Harbor Point Insurance coverage, and we note that Harbor Point has paid its $20,000.00 limit.

Cardinal State Mutual offers **$6,000.00** in full settlement of John Doe's uninsured motorists claim under this policy. Our evaluation took into account the fourteen-day interval between the accident and Mr. Doe's first medical visit on February 20, 2026, and the interruption in his therapy between April 2 and April 21, 2026, during which he missed scheduled visits.

Please present this offer to your client. We will consider any further information you wish to provide.

Sincerely,
