Received. I have noted our file that Mr. Doe is represented by your office and that contact goes through you. For the record, I spoke with Mr. Doe briefly on 02/09/2026 to open the

```
claim; no statement was taken. I will send the claim number to your office once it is
assigned.
```

4. The follow-up, and how it was handled

On 02/11/2026 Ms. Whitfield asked for John Doe's cell number and a time this week for "a short recorded statement". The Case Manager replied the same day that any Recorded Statement request goes in writing to Atty. Thorne and that all contact stays with this office, and forwarded the request to Atty. Thorne, flagged "statement request — your call". No number was given and no statement was arranged or refused on Mr. Doe's behalf.

5. What the exchange establishes

- Keystone knows, in its adjuster's own words, that John Doe is represented and that contact goes through the firm, from 02/10/2026.
- No statement was taken on 02/09/2026, on the adjuster's own account.
- The statement request was routed to Atty. Thorne in writing on 02/11/2026; the Case Manager decided nothing about it.
- Nothing about fault, the crash or the value of the claim was said to the carrier.

6. Action taken, and where this memorandum is filed

- John Doe called back on his cell, (555) 010-2288, on 02/10/2026: told to give no Recorded Statement and to refer Keystone to the firm; he repeated the instruction back.
- Communications Log updated with the voicemail, the call-back, the email and the adjuster's reply, the same day.
- CMS → Doc Hub → Others, named the firm's way; Backup Drive → 05 Insurance, Demands & Negotiation, the same copy.
