Dear Case Manager:

We have reviewed your email of June 12, 2026 disputing lines of our interim itemization dated June 10, 2026. Our review of the claim records and diagnosis codes agrees with your findings, and the itemization is corrected as follows:

- Claim PS-2602-103377 (Riverton Vision Center, 02/03/2026, $95.00) is removed: the date of service is before the incident and the care is unrelated.
- Claim PS-2603-230915 (Peach State Virtual Care, 03/18/2026, $49.00) is removed: acute sinusitis is unrelated to the incident.
- Claim PS-2605-401286 (Riverton Allergy & Asthma Clinic, 05/06/2026, $74.00) is removed: the visit treated a pre-existing condition unrelated to the incident.
- Claim PS-2605-449021 (Crescent Pain & Spine, 05/15/2026) is corrected from the billed $3,400.00 to the amount the Plan paid, $1,860.00. The Plan's claim is limited to benefits paid.
- Claim PS-2603-214577 (Summit Imaging Center, 03/13/2026) remains at $0.00: it was denied because other coverage (PIP) is primary, and the Plan paid nothing on it.
