LSH CASE MANAGEMENT SYSTEM

Task Log · Matter LSH-2026-MVA-770412 · John Doe v. Robert Smith

Printed for the file
Assigned by Atty. Elijah Thorne

Pre-Demand Audit closed — drafting assigned

07/15/2026 · The pre-demand audit is complete (Specials $16,401.40; liens $7,965.00; targets BI $10,000 → Host UM $20,000 → Relative UM $10,000). Drafting goes to the firm's desks; every draft comes back to the Case Manager for QC before it reaches Atty. Thorne.

Task	Assigned to · what	Draft due	CM QC due	Status
T-0715-01	Demand Desk · BI Time-Limited Demand to Keystone, $10,000 limit (draft RS33)	07/17/2026	07/20/2026, before service	Draft in
T-0715-02	Demand Desk · Host UM demand to Harbor Point ($20,000) and Relative UM demand to Cardinal State ($10,000, excess) — opens only once BI is exhausted (draft RS61)	08/28/2026	08/31/2026	Held for BI
T-0715-03	Litigation Desk · Mediation Binder and Confidential Statement, if the file goes to suit (draft RS62)	Set from the Scheduling Order if suit is filed	Two business days after the draft; before the mediator's deadline	Contingent
T-0715-04	Litigation Desk · Arbitration Binder, if a UM carrier disputes damages (draft RS63)	Set when the arbitration is scheduled	Before the exhibit exchange date	Contingent

QC standard for every draft: checked against its source records and the audited figures; errors fixed or flagged with the record that proves them; nothing served, exchanged or sent to the client until Atty. Thorne approves. John Doe is a passenger who owns no vehicle: no draft may carry a property-damage claim for him.
