**Subject:** Member PSH-55017742 · Recovery file SRU-26-03318 — itemized lien dispute

Mr. Carver,

Thank you for the interim itemization of June 10. We have reviewed it line by line against John Doe's medical records, and ask that it be corrected before the file goes further. Three lines are not related to the 02/06/2026 collision: the 02/03/2026 Riverton Vision Center eye exam, which is before the incident; the 03/18/2026 Peach State Virtual Care visit for acute sinusitis; and the 05/06/2026 Riverton Allergy & Asthma Clinic visit for allergic rhinitis. The Crescent Pain & Spine line (claim PS-2605-449021) is claimed at the billed $3,400.00; your own ledger shows the plan paid $1,860.00, and the plan's claim is to what it paid. We agree the Summit Imaging line stays at $0.00.

Please send a corrected itemization in writing confirming the reimbursement claim, and the certificate's reimbursement provision. We will notify you before any settlement, as your notice asks. Questions about the amount the plan will accept, or its terms, should go to Atty. Elijah Thorne.

## 3. The reply as received (06/24/2026)

Dion Carver's letter of 06/24/2026 (RS91) removes the three unrelated lines, corrects the Crescent line to the $1,860.00 paid, keeps Summit at $0.00, and confirms the reimbursement claim at **$1,860.00** as of 06/24/2026, with no other accident-related claims in process. Section 11 of the certificate is enclosed.

His follow-up the same day asked whether John Doe would repay $1,860.00 in full from a settlement, and for the liability limits and a settlement date. Answered: the corrected figure is acknowledged and the plan will be notified before any settlement; the repayment question and any limits disclosure were routed to Atty. Thorne the same day.

## 4. What the confirmation establishes

- The reimbursement claim is $1,860.00, in the plan's own writing, before the demand is drafted.
- The plan claims only what it paid; the $1,540.00 Crescent wrote off is no one's claim.
- No other accident-related claim is in process as of 06/24/2026; a final amount is requested before disbursement.
- It does not compromise the claim: any reduction (procurement cost, state law on a fully insured plan) is Atty. Thorne's, at the lien stage.
